v.

Toledo-Lucas County Public Library

3:08 CV 148

Judge Carr

MOTION FOR FEDERAL RECONSIDERATION

Plaintiff moves that this court reconsider a previous similar matter-incident that Plaintiff claims his Constitutional rights were abrogated in, and were not sufficiently protected by Ohio courts, to wit: matters of mark anders tronsen, Plaintiff v. Toledo - Lucas County public library, the state of Ohio, the Lucas County Sheriff, Mr. Jeffry Sabo, The Village of Holland, Ohio, et al., case number 02006-01131.

Plaintiff asks that this court direct that this matter either be considered de novo, or, in the alternative, that the Ohio Appeals Court be directed to accept the above matter for an appeal of the dismissal which plaintiff says was wrongfully granted.
